Hennepin EMS is accepting applications for the position of Paramedic

Hennepin EMS is an urban/suburban 9-1-1 Emergency Medical Services agency that handles nearly 75,000 calls for service each year from the citizens and visitors of Hennepin County, MN. Hennepin EMS is based at Hennepin County Medical Center (HCMC) and serves 14 municipalities, covering 266 square miles and a population of over 700,000.

Hennepin EMS deploys paramedic units throughout the communities we serve utilizing an integrated Computer Aided Dispatch system that incorporates Automatic Vehicle Location and GPS to ensure the closest ambulance is sent to all emergencies.

Hennepin County Medical Center was Minnesota's first and largest Level I Trauma Center and is repeatedly named one of America's Best Hospitals by U.S. News and World Report. HCMC is a dynamic academic medical center with 469 beds (more than 100 in ICUs) and 17 operating rooms. In addition, HCMC offers:

- Designated Level I Pediatric Trauma Center
- Hyperbaric Medicine and Burn Unit
- Cardiac Catheterization Lab with paramedic field activation and average EMS door-to-balloon times in under 60 minutes
- Primary Stroke Center with average door-to-needle times in under 60 minutes
