

## Requirements for Visa

1. Valid passport
  2. Passport photo with white background ( I recommend having at least 10 on hand)
  3. Completed visa application form.
  4. Authorization letter from SRCA
  5. Certified and notarized COPY of university degree or college diploma.
  6. Signed copy of employment contract.
  7. Three copies of Medical Report (with original signatures), copies of all results, and photos. Medical reports must be done on all adults over 16 years of age.
  8. A police report, with detailed information about your criminal record, if any.
  9. Official college transcripts in a sealed envelope.
  10. Verification letter from the college registrar's office. Must include contact person and phone number.
  11. Verification letter from professional licensing body that states your license to practice is in good standing. Must be in a sealed envelope and include contact information for licensing entity.
  12. Three professional letters of reference.
  13. Notarized letters from previous employers stating dates of employment and position held. (Certificate of Employment)
- If you are bringing your family, notarized copies of marriage license and birth certificates are required.

All of these things will be sent to our visa handler in Washington DC. Her contact information is below.
